

THE CHUCK NOLL ROAD TO INDEPENDENCE SOCIETY

Chuck Noll turned the Pittsburgh Steelers into a winning dynasty. When he retired from the Steelers, he joined the Board of Directors of The Greater Pittsburgh Guild for the Blind, noting the similarity between his approach to success in football and the agency's success in rehabilitation. When the Guild consolidated with Pittsburgh Blind Association, Chuck Noll became the first Chairman of the Board of the new agency, now called Blind & Vision Rehabilitation Services of Pittsburgh.

The current board and staff developed the Chuck Noll Road to Independence Society in order to pay tribute to Mr. Noll and to honor agency donors who have joined him as leaders in supporting the agency. Members of this prestigious group pledge unrestricted gifts of at least \$1,000 per year for five years.
